## OUTSIDE RECESS

Each day the administration reviews the weather forecast to determine if the children will be going outside for recess. As the weather permits, the children will be outside as often as possible (recess and lunch). Students must arrive to school each day prepared to be outdoors for recess. Coats, hats, and gloves should be worn daily.

## STUDENT ILLNESS

We love having your students at school with regular school attendance. However, a gentle reminder that if your child is sick, please keep him/her home as some illnesses are contagious. Students **must** be symptom free (including fever-free) for at least 24 hours before returning to school.

Please refer to page 38 of the Parent Student Handbook for additional information.

**A doctor's note is required if the absence is more than three (3) days.**
