

Holiday Travel and Request for Virtual Learning

The holidays present a unique challenge this year as we work to negotiate travel arrangements, potential restrictions, health and safety, and our commitment to providing the best education possible for our students. Recognizing that travel restrictions may change and currently all travel outside of the Commonwealth of Pennsylvania is **required** to quarantine unless deemed essential, please continually refer to the list published by the State of Pennsylvania for any updates.

If you are planning on traveling outside of Pennsylvania, please fill out this request form and return it to St. Teresa of Calcutta as soon as possible. This will provide us time to notify all necessary teachers so that we can prepare for your student's absence. Arrangements can be made for you to pick up your student's necessary materials at school. A copy of this form will be returned to you once the school has processed your request. You will also be provided a copy of the Virtual Learning Agreement. Please have your student review it as it will to serve as your guideline for remote instruction practices
